HEALTH BENEFITS – BOARD MEMBERS

Members of the Board shall be permitted to participate in the District’s health benefit programs. The benefits of members of the Board through the District’s health benefit programs shall not be greater than the most generous schedule of benefits being received by any category of an employee of the District.

Former members of the Board may continue to participate in the District’s health benefits programs upon leaving the Board if the following criteria are met: the member must have begun service on the Board after January 1, 1981; the member must have been first elected to the Board before January 1, 1995; and the member must have served at least 12 years.

Other former Board members, who have been elected for two terms, may continue to participate in the District’s health benefits programs on a self-pay basis. Former trustees who participate on a self pay basis shall pay in advance the cost the district pays for the plan.

The benefit plan options shall cover only the former trustee, trustee spouse or domestic partner, survivor, and the trustee’s minor dependents to the age as defined by federal law. The former trustee may select one or more health benefit options provided to administrators, faculty, and/or classified employees.

Once a benefit plan is selected by the former trustee’s surviving family, no additional members can be added.
