

PUBLIC RECORDS

Members of the public may request to inspect or copy public records. A request by a member of the public may be delivered by mail or in person to the District Director of Public Affairs and Intergovernmental Relations.

Any request shall identify with reasonable specificity the records that are sought. If additional information is needed, the District Director of Public Affairs and Intergovernmental Relations may request it be provided in writing.

Any request to inspect records shall be made sufficiently in advance of the date of inspection to allow staff time to assemble the records and identify any records that may be exempt from disclosure.

Records that are exempt from disclosure under the Public Records Act or any other provision of law may not be inspected or copied by members of the public. Social security numbers must be redacted from records before they are disclosed to the public.

Members of the public shall be assisted in identifying and locating records or information that may respond to their request.

Within ten (10) calendar days, District Director of Public Affairs and Intergovernmental Relations will determine whether or not the records can be produced and will communicate the determination to the member of the public requesting the record(s).
