

SAFETY

The Chancellor shall establish Administrative Regulations to ensure the safety of employees and students on District sites, including the following:

- Compliance with the United States Department of Transportation regulations implementing the Federal Omnibus Transportation Employee Testing Act of 1991. Specifically, the District shall comply with the regulations of the Federal Highway Administration (FHWA) and, if applicable, the Federal Transit Administration (FTA). Compliance with these policies and procedures is a condition of employment for those employees who transport students.
- Establishment of an Injury and Illness Prevention Program in compliance with applicable OSHA regulations and state law. These procedures shall promote an active and aggressive program to reduce and/or control safety and health risks.
- Establishment of a Hazardous Material Communications Program, which shall include review of all chemicals or material, received by the District for hazardous properties, instruction for employees and students on the safe handling of such materials, and proper disposal methods for hazardous materials.
- Prohibition of the use of tobacco in all public buildings including within 25 feet of entrances.
