

## ALCOHOL AND CONTROLLED SUBSTANCES TESTING

### AUTHORITY FOR POLICY AND TESTING

The District will comply with the Omnibus Transportation Employee Testing Act of 1991.

The Omnibus Act requires all operators of commercial motor vehicles (CMV's) to be tested for controlled substances and alcohol. It applies to all drivers required to obtain a commercial driver's license (CDL). Drivers to which federal drug testing requirements are newly applicable include, but are not limited to, drivers and their employers operating wholly in intrastate commerce, employed directly by federal, state and local governments, including school districts, and drivers with restricted-use CDL's or drivers in a state that does not recognize waiver CDL's.
