

CLASSIFIED MANAGERS

Classified managers are not employed as educational administrators.

Classified managers, regardless of job description, have authority to recommend hiring, transferring, suspending, laying off, recalling, promoting, discharging, assigning, rewarding, or disciplining other employees, and have the responsibility of assigning work to and directing them, or adjusting their grievances.

Classified managers, regardless of job description, have significant responsibilities for formulating District policies or administering District programs other than the educational programs of the District.

Classified managers may be employed in the same manner as the other members of the classified service. If a classified manager is employed as a regular member of the classified service, employment shall be consistent with other provisions of these policies regarding employment of classified employees.
