PARENTAL LEAVE FOR ADMINISTRATORS AND CLASSIFIED MANAGEMENT PERSONNEL

Administrators and classified management personnel may request parental leave without pay with benefits for a period of up to six (6) months within one year of the birth or placement for adoption or foster care of a child. This leave shall run concurrently with any entitlement under the Family Medical Leave Act and the California Family Rights Act. Longer leaves or leave extensions may be granted by the board. This leave shall be for the exclusive purpose of child care or child rearing of a natural or adoptive child of the employee, and shall not be available for pregnancy related disabilities, or for gainful employment. The decision to grant a parental leave in excess of statutory entitlement, and the length of the leave, if granted, shall be at the sole discretion of the Board of Trustees.

The employee shall, prior to submitting the written leave request for parental leave in excess of statutory entitlement, obtain the written approval of the immediate supervisor. In approving or denying the requested leave, the supervisor shall consider the proposed dates of the leave, and the length of the leave in light of the responsibilities of the employee’s position. A written request approved by the supervisor shall be filed by the employee with the Office of Human Resources specifying the beginning and ending dates requested and the length of leave requested. The written request will be submitted no later than ten (10) working days prior to the requested commencement of the leave. Depending upon the individual circumstances of the employee's need for the parental leave, the Board of Trustees may shorten or waive the advance notice requirement.

Return rights of employees taking parental leave pursuant to state or federal family leave law shall be as set forth in those laws and Board Policy 4117.

For parental leaves of less than six months but in excess of any statutory entitlement, the employee shall be entitled to return to the same classification, but not necessarily to the same position as the employee served in, immediately prior to the leave, unless the position or classification has been discontinued and the employee has been served notice under the layoff provisions of the California Education Code. Employees who do not return at the end of the authorized leave are subject to disciplinary action which may include dismissal.

Pregnancy related disabilities shall be treated as any other disability for purposes of sick leave.
