- B. Honorary degrees may be awarded at commencement or some other equally appropriate time.
- C. The honorary degree shall be conferred by the college president.
- D. The District reserves the right to revoke the honorary degree if the individual engages in conduct, which in the sole discretion of the Board of Trustees, is significantly detrimental to the reputation of the individual, such that continued association between such individual and the District and/or college would be contrary to the best interests of the District.

II. PURPOSES FOR WHICH HONORARY DEGREES MAY BE CONFERRED

- A. To recognize excellence and exceptional achievement in significant areas of human endeavor, which reflect the stated vision, mission, and goals of the college and the District.
- B. To honor meritorious and outstanding service to the District, the college, the communities the college serves, the State of California, the United States, or humanity at large.
- C. To recognize individuals whose lives and significant achievements serve as examples of the college's aspirations for its diverse student body

III. CRITERIA FOR THE AWARDING OF HONORARY DEGREES

- A. Nominees for an honorary degree must be distinguished in their respective fields, and the contributions of persons nominated should be widely recognized.
- B. Nominees must have demonstrated intellectual and humane values that are consistent with the aims of higher education and with the highest ideals of the nominee's chosen field.

- C. The final recommendation comes from the college president to the Chancellor.
- D. No honorary degree shall be awarded without approval of the respective Academic Senate.
